# MAINTENANCE CLEANERS PRODUCT LINE

PRODUCT	TECHNOLOGY	APPLICATIONS	BENEFITS
Cleaners			
QUAKERCLEAN® LFE 2S	High Alkaline, Silicate-free	Spray & Immersion for Parts Cleaning	<ul style="list-style-type: none"> <li>• Excellent Detergency- Quickly penetrates and emulsifies soils for complete removal without redeposition, leaving no residual film</li> <li>• Will not produce excessive foam in spray applications</li> <li>• Effective &amp; Efficient Cleaner for Automotive/ Locomotive Parts</li> </ul>
QUAKER FORMULA™ 2601	High Alkaline, Silicated	Spray & Immersion on Ferrous & Non-ferrous surfaces	<ul style="list-style-type: none"> <li>• Versatile, heavy duty cleaner for oil emulsification/ removal. Silicated to protect aluminum surfaces</li> <li>• Prevents excessive formation of sludge</li> </ul>
QUAKER FORMULA™ 126 FS	Water Based, Low Alkalinity	Floor Scrubbers, Hand Mop Operations, Soak Tank & Wipe On	<ul style="list-style-type: none"> <li>• Strong surfactant package for multiple cleaning applications - specifically designed to break down the difficult soils found in mills rolling steel and aluminum</li> <li>• Worker Compatibility - Mild soapy scent and low alkalinity makes it much safer and less irritating than other caustic cleaners. Works well in floor scrubbing equipment and does not create a slippery surface</li> <li>• Compatible with most mill waste treatment systems</li> </ul>
QUAKER FORMULA™ PURE BLUE HD	Water Based, Nearly Neutral pH	Floor Scrubbers, Hand Mop Operations, Soak Tank & Steam Cleaning	<ul style="list-style-type: none"> <li>• Strong surfactant package cuts through oil and grease for multi-purpose cleaning applications. Non-hazardous and cost effective</li> <li>• Worker Compatibility - Mild soapy scent and nearly neutral pH makes this cleaner less irritating and much safer to handle</li> <li>• Non-hazardous product formulated without silicates, phenols, or glycol ether solvents</li> </ul>
ACID CLEAN 508 GE	Acid Based	Spray & Soak Tank	<ul style="list-style-type: none"> <li>• Low foaming cleaner, specifically formulated to effectively remove a variety of metal surface defects such as rust, oxides, stains, sludges, and inorganic salts</li> <li>• Highly concentrated product permits low operating concentrations</li> <li>• Formulated detergent system provides excellent rinsing properties under various water conditions</li> </ul>
SOLVO CLEAN® TLS	Solvent-Based, Non-chlorinated	Spray & Soak Tank	<ul style="list-style-type: none"> <li>• Rapid removal of organic deposits, leaving a residue-free surface</li> <li>• Excels at cleaning motors, electrical circuit boards, tension level work rolls</li> </ul>
